**2016 MCALESTER RANCH & HOME SHOW**  
 4th Annual

**Welcome to the 4th Annual 2016 McAlester Ranch and Home Show!**

We at C&M Production Group are excited to produce and market this fabulous show and bring it once again to McAlester on October 21st, 22nd, and 23rd at the Southeast Expo. It is our sincere pleasure to showcase McAlester and the surrounding area in what continues to be the most watched and talked about Ranch and Home Show in Oklahoma. We are continually looking for new ways to improve the show and make it better each year. This year is no exception! Our first decision was to make the show easy for all to attend. The 2016 McAlester Ranch and Home Show is now **FREE ADMISSION!** We want everyone in McAlester and Southeast Oklahoma to feel at ease and bring the family and friends to experience what the show has to offer. We have numerous vendors traveling from across the United States to participate in this year's show. National corporations are seeing the great potential for McAlester and Southeast Oklahoma and will be attending as well in hope of finding local distributors for their products. Many vendors are returning for their 4th year due to the support they have received from attendees of the show and the citizens of McAlester. Hard to find specialty gift items can be purchased and taken home from the show. The newest farm equipment, corrals, scales, and feed will be on display at special prices during the show as well as jewelry, clothing boutiques, landscape, windows, siding and roofing. Local legend Jeff Williams is returning and will showcase his partners in herding cattle with numerous cow dog demonstrations you won't want to miss. New to this year's show is Scott Daily who will be performing twice a day breaking the most untrained horses in the area! We have teamed up with Junk Utopia which will have approximately 50 booth spaces with vendors

## REMEMBERING ONE OF OUR OWN

### FRANK ELLIOT

**June 29, 1945 - April 27, 2016**

"He was a good guy". "They broke the mold when they made him". "He was definitely one of a kind". Many words have been spoken since the passing of Frank Elliott this year. To us at C&M Production, my wife, Janelle and me, Frank was many things. We met Frank many years ago at the Pittsburg Farm show in the middle of one of the hottest summers ever. We

were currently starting to produce a beef expo and were building a board to advise us on how to proceed and make the show successful. We were told by many in the cattle industry that Frank Elliott needed to be a member of the board. Frank never resisted and was always available to advise us for however long we needed to discuss the questions and issues at hand. Little did we know that Frank would become such a great friend and mentor to us personally and C&M Production Group. Frank introduced his beautiful daughter Holly to us and even approved of her doing an internship with C&M Production Group for requirement of her degree at Oklahoma State University. Frank was the man that said almost fifteen years ago, "Ya know, you need to produce a show in McAlester and it needs to be a Ranch Show somehow." At the time, we felt like we weren't ready to produce another show. Each and every time we saw Frank or visited with him on the phone; Frank would ask if we were ready to produce the show in McAlester. His follow up statement would be, "Ya know, Janelle and Kim, McAlester is the perfect place for a ranch and cattle industry show and you are the promoters that can do it." How many times have many of you heard Frank begin a sentence with "Ya know,?" We personally visualize him saying it each time we think of Frank or in a conversation about Frank. Frank was so happy and excited when we told him over five years ago that we ready to produce the McAlester Ranch and Home Show! He would grin from ear to ear and say, "Ya know, I told you so!" Frank helped us in so many ways including answering questions we had, giving suggestions after each show as well as being a vendor participating in the show. Frank was not only a mentor and an anchor for the McAlester Ranch and Home Show; he was a friend to us and everyone that was Blessed to be a part of his life. We are forever grateful to have been included in the life of a Legend in the ranch and cattle industries. Frank's advice and presence will always be a part of C&M Production Group, to Janelle and me, and the McAlester Ranch and Home Show.

Before he got it finished, somebody bought it from him. He sold four before he could get one build one for himself. The sales of recreational vehicles continued to grow to become the family business with sons Jerry Peay as the General Manager and Tom Peay as Vice President. Business has grown over the years and so has the family involvement. Tom is now the President, David Peay - Vice President, Dale Peay - Secretary-Treasurer, and Doug Peay - General Manager.
